Minutes from the April meeting.

1. 10 members and 1 guest present.
2. Please see the attached CMA mowing list for 2019. If you are on the list we thank you for helping. The mower has been taken to the field from John's barn. Thanks to John for keeping it over the winter for us.
3. Toby has managed to schedule one last indoor fly at the Sports Complex in Mount Orab for April 20 from noon to 5. Please come out and join in the fun. We may need a good showing to be able to do this next winter.
4. Our club has been invited to the Works Club field for a day of flying. The date is July 27 from 10:am to 4:00pm.
5. A discussion was held about CMA inviting other clubs to our field. Marty suggested we invite local clubs to our Labor Day breakfast.
6. Mike has received a check for \$500.00 from AMA for the Take Off and Grow program. This will be used to purchase a trainer plane to use to teach new folks to fly. Mike indicated he would add to the \$500 to be able to get 2 trainers.
7. The field work day was moved to May 11. Mike stated we need to paint both of our buildings. The club also approved getting 2 loads of gravel for the drive way and in our shelter. Marty will contact Dan and make arrangements to have the gravel delivered.
8. **Club dues were due by the March meeting. Per our By-laws. any member not paid by the March meeting will have to pay a \$10 late fee in addition to the 2019 dues.**
9. Our Fathers Day Fly-in will be June 15 and we will raffle a \$500 Visa gift card . Tom has ordered the tickets and will have them at the next meeting.
10. Lou Waggoner volunteered to take charge of the food concession for the Fathers Day Fly-In. She asked that the club take care of the drinks, ice and coolers. She also would like to ask for club members to provide deserts and any other donations that would help. Contact Lou at her e-mail lou.waggs@gmail.com if you can donate. More details of what help she could use will be provided at the next meeting. Thanks Lou...
11. The latest FAA rule is that we have to have our FAA number on the outside of our planes. You can follow the link on our website to register.
12. The club decided to have the Saturday after the meeting a club fly/training day. This is to encourage members to come out and have fun.
13. Next meeting is May 2 at the Field at 7:00.

**Dues may be sent to Dan Cisco at 112 Hunt Drive
