Minutes from the December meeting.

1. 10 members and 1 guest present.
2. The mowing is finished for the season and the Bad Boy mower was serviced and stored in John's barn. Thanks to John for storing our mower.
3. It is time for 2020 dues to be paid. Please bring your dues to the January meeting or send them to Dan (address below).
4. Mike discussed the Club Flyer. Herb has revised the flyer and the members approved his revision. Thanks Herb
5. The indoor flying at the Mt Orab Sports complex was discussed at length. The venue is under new management and the price for a flying session has gone up. When the dust settled the members voted to have the club pay the \$200.00 fee for the session and charge flyers \$10. If we can get 20 flyers we break even. Invite anyone you know to come out and fly. The date is December 29 from noon to 4:00pm. we will evaluate additional dates after we see how this works out.
6. The Christmas party at Max and Erma's had some issues with bad/cold food and wait staff. We will look for a new venue for next year.
7. All club officers agreed to continue for 2020. The members voted to approve this .
8. The latest FAA rule is that we have to have our FAA number on the outside of our planes. You can follow the link on our website to register. If anyone needs labels contact me and I can fire up the vinyl cutter.
9. The Freeze fly will be January 4 starting at 12:00 noon. Come out and help get the 2020 flying season off to a start.
10. The club decided to have the Saturday after the meeting a club fly/training day. This is to encourage members to come out and have fun. **Training days have been suspended due to Winter...**
11. Mike discussed safety at the field. it is a good idea to open the shed before we fly to enable quicker access to the first aid kit if needed. Our first aid kit needs to be restocked or replaced. And as always the recommendation is not to fly by yourself.
12. Next meeting is January 2 at the Firehouse in Bowersville at 7:00. We will work on planning the 2020 event schedule so join the fun and add your 2 cents.
13. The club web site was discussed and Don will contact Tom to discuss.

**Dues may be sent to Dan Cisco at 112 Hunt Drive
Sabina OH 45169**
