Minutes from the February meeting.

1. 9 members present. Welcome to new member Jeff McGowan.
2. The club website was discussed. Tom had called me and indicated that he would pay the fee (\$140.00) for the coming year. Tom is donating this in place of his dues for 2021. Marty has withdrawn his offer to take over the website. Tom indicated that anyone that wants to have items added to the site needs to let him know and he will add them.
3. Mike reminded all members that we need to be putting our FAA registration numbers on our planes. Dave said he had purchased a label maker and would bring it to the next meeting and could make labels.
4. Mike is starting the mowing list so if you can help with the mowing let Mike know.
5. Mike discussed the Fathers Day fly in. The date this year is June 19. We will continue to work on details next meeting. Don will call Herb and ask if he can generate the flyer. Don will e-mail finished flyer to members.
6. Dave discussed the club using the township room for our winter meetings. It was decided that the club will make a donation to the trustees "coffee/ soda fund" in the memory of Mark. If you would like to contribute to this donation we will collect donations at the next meeting. It was also discussed that we should draft a letter to the trustees thanking them for the use of the room and confirming that we would like to continue having our winter meetings in the room.
7. Reminder: Info for your FAA registration number. The web site is faazonedrone.faa.gov. You go there and register. It is a \$5 fee. You will need to log in and set a password. Make sure to save these as you will need to renew in 3 years. Your registration number needs to be on the outside of your planes. You only need to register once and can use your number on all of your planes.
8. The club received a thank you note from Pam Klinger thanking us for our support and prayers during Mark's illness. Also thanking us for the flowers.
9. Mike asked if the club would like to renew the Labor Day Breakfast. After a long discussion it was decided to have a "Not the Labor Day Breakfast" on September 11. This will include a breakfast, a swap meet, and a night fly.
10. Marty suggested that we could organize a trip to the Scioto Ribber Restaurant (Portsmouth Ohio) in memory of Mark. It is a place that Mark enjoyed. Anyone interested please contact Marty.
11. The next meeting is March 4 at the Fire house township meeting room at 7:00pm.
12. **Gents it is time to start paying club dues for the 2021 year.**
