## Minutes from the March meeting.

1. 15 members present.
2. The meeting opened with a discussion of the field rent increase. The new rent is \$2000 per year. Jeff stated that he had checked with other clubs in the area and the new rent puts us between the Xenia club and the Works club as far as their field rent.
3. **It is that time of year again. You can send your 2018 dues to Fred. Fred's address is at bottom of page. Remember any dues paid now will have a \$10.00 late fee added. This will also be the last news letter you get if you do not pay your dues before the April meeting.**
4. You also need to check your AMA and renew if needed. The AMA site lists 5 members that have expired memberships.
5. We passed the 2018 mowing list around the meeting. If you wish to be added please let Tom know.
6. Tom discussed the new forum. The old one died. You will have to sign up on the new one. Toby discussed setting the club up on Face Book. He will look into setting up a page for our use.
7. The conflict with Cherry Bend's open house and our IMAC contest was discussed. Toby will warn the pilots about flying over the woods.
8. We will have the Spring field clean up day on April 14 with a rain day April 21.
9. Reminder: we need to call the Wilmington tower before flying. Instructions are posted at the field.
10. The club agreed to have a \$500 gift card raffle for the Fathers Day Fly-in. Tom will get the tickets.
11. Tom discussed news that the Lebanon club is losing their field. The alternate field they were offered is just off the end of the Warren County airport runway and will not work for models. Tom thinks we may get some of their members joining our club.

**Next Meeting is April 5 , At the Bowersville Fire House at 7:00 PM.**

**Dues may be sent to Fred Ford at 1147 Southridge Ave. Wilmington OH 45177**
