[Clinton Model Aviators on Face Book](#)

Minutes from the March meeting.

1. 10 members and one guest present. Welcome former member George Ardwin.
2. Don reported that he has received the AMA club charter for 2021. AMA mails the insurance certificates directly to the land owners.
3. Mike reminded all members that we need to be putting our FAA registration numbers on our planes. Dave brought a label maker to make labels.
4. Mike is working the mowing list so if you can help with the mowing, call Mike at 937-393-0352.
5. Mike discussed the Fathers Day fly in. The date this year is June 19. We will continue to work on details next meeting. Mike reported that the fly in is sanctioned and will be in the AMA magazine.
6. Mike suggested that any member that visits a hobby shop take Fathers Day Flyers and ask for door prize donations. Don has emailed the flyer file to the members for you to print as needed. If you need another copy let Don know.
7. Dave discussed the club using the township room for our winter meetings. It was decided that the club will make a donation to the trustees "coffee/ soda fund" in the memory of Mark. If you would like to contribute to this donation we will collect donations at the next meeting. It was also discussed that we should draft a letter to the trustees thanking them for the use of the room and confirming that we would like to continue having our winter meetings in the room. Don will work on a letter.
8. Reminder: Info for your FAA registration number. The web site is faazonedrone.faa.gov. You go there and register. It is a \$5 fee. You will need to log in and set a password. Make sure to save these as you will need to renew in 3 years. Your registration number needs to be on the outside of your planes. You only need to register once and can use your number on all of your planes.
9. Geo-tex for the field was again discussed. The Xenia club has a 100ft piece left over from there install. Tim and Dave will ask if they would be willing to sell it. I will check with Anthony to see if he thinks 100ft would help him with his jets.
10. Mike discussed the "Not the Labor Day Breakfast" on September 11. This will include a breakfast, a swap meet, and a night fly. We will work out details at future meetings.
11. The next meeting is April 1 at the Fire house township meeting room at 7:00pm.
12. Mike stated that he may be able to schedule another indoor fly. Don will send out an email if it gets scheduled.
13. **Gents it is past time for paying club dues for the 2021 year. The \$10.00 late fee is now in effect.**

Dues may be sent to:

Dan Cisco at 112 Hunt Drive, Sabina, OH, 45169.
