### Minutes from the May meeting.

1. 11 present.
2. The mowing schedule for the month is: May 9, Dell - May 16 Herb - May 23 Mike W - May 30 Marty W.
3. Toby Discussed a club opportunity with a sponsorship at the Sports Complex at Mt. Orab. This will give us great exposure to lots of kids and their parents. This would give us a permanent Banner inside the complex advertizing our club. It would also help with getting the indoor flying dates next winter. A motion passed to have the club purchase a sponsorship at \$500.00. Toby offered to provide the banner and several members made donations to help cover the cost of the sponsorship. If you would like to help, send donations to Dan or bring to next meeting.
4. Our club has been invited to the Works Club field for a day of flying. The date is July 27 from 10:am to 4:00pm.
5. A discussion was held about CMA inviting other clubs to our field. We will invite local clubs to our Labor Day breakfast.
6. Mike has purchased a trainer plane for the AMA for the Take Off and Grow program. The plane and equipment is in the club house.
7. The field work day was moved to May 11. The remainder of the gravel will be moved to the building at that time so bring shovels and rakes.
8. **Club dues were due by the March meeting. Per our By-laws. any member not paid by the March meeting will have to pay a \$10 late fee in addition to the 2019 dues.**
9. Our Fathers Day Fly-in will be June 15 and we will raffle a \$500 Visa gift card . Tickets were passed out at the meeting. Contact Mike if you need some to sell. We will set details of Fly-in at next meeting. We will need lots of help.
10. Dan discussed issues with our current bank and the possibility of switching to Wright Pat CU. A motion was passed to approve moving the account and applying for on-Profit status.
11. The latest FAA rule is that we have to have our FAA number on the outside of our planes. You can follow the link on our website to register.
12. The club decided to have the Saturday after the meeting a club fly/training day. This is to encourage members to come out and have fun. **Training day for May 4 is canceled due to weather.**
13. Thanks to Steve V. for repairing the plane stands.
14. Next meeting is June 6 at the Field at 7:00.
