Please do not discharge the grass against the potty. The vendor complained about having to clean the grass off of the potty.

6. A discussion about how we could increase membership was held. Anyone with ideas on how to do this should let us know at the next meeting.
7. A big thanks to Toby for building our Facebook page. Check it out on Facebook at Clinton Model Aviators. With our bad luck with forums this is working well.
8. Tom reported the Christmas party will be at Max and Erma's on December 1. Drinks at 6:00pm and dinner at 7:00pm.
9. Reminder: we need to call the Wilmington tower before flying. Instructions are posted at the field.
10. Thanks to Fred for obtaining a like new frigate and to Dan for getting rid of the old one.
11. Toby discussed the AMA and the Government passing the bill that may affect our sport. We all need to follow the AMA activities and help as they direct (by contacting our representatives).

13. Gents it is time for you to step up and take a turn at being a club officer. We have openings for President and Treasurer as Tom and Fred are stepping down. Both have done a great job and it is time for a couple of new folks to show their leadership skills. We will have nominations at the November meeting and vote at the December meeting.
14. It is time for checking your AMA membership. Several members will expire at the end of this year.

Next Meeting is November 1 , At the Fire House at 7:00 PM.
