Minutes from the September meeting.

1. 16 members present.
2. Opened with treasury report -we are in really good shape. The IMAC Bash gave us a good profit to increase our balance. We need to thank Fred and Herb for donating food and supplies. Also thanks to all who donated Ice and brought their coolers.
3. The field is really looking good this year. Thanks to all who are doing the mowing. We are still looking for volunteers. This month's schedule is:

September 14	Marty
September 21	Don
September 28	Mike
October 5	Tom
4. We need to thank all members that came out and helped with the IMAC Bash. This year was better than last year. We had 22 pilots. Toby and his crew (Family) did a great job of running the contest. Toby stated that all the comments he received were positive. Toby also discussed a few things to consider for next year. We may need to have a better plan for parking next year like the club members parking at the barn and setting up our white tent in the pits to free up several additional parking spots. He also asked if the club could provide a couple of "Sun Dots" to help with the afternoon flying. We also need to extend the runway like we do for the Fathers Day Fly in due to the corn and the large planes needing more runway.
6. The Labor Day Breakfast had a light turnout this year. We had 16 folks join us for a good morning. Thanks to Mike for bring the food and to Mike , John and Don for cooking. As usual John brought his special potatoes.
7. Mike is organizing a fun fly/night fly for October 21 starting at 10:00.
8. The Christmas party was discussed and December 2 was chosen as the date. Tom will check on location availability.
9. Fred discussed an issue with the Lebanon club (MVRC) losing their field. They have secured a new field but will not be able to use it for a year. Fred asked if we could let them use our field until they can get their new location up and running. Fred and Tom will attend their next meeting to see if something can be worked out.
10. Reminder: we need to call the Wilmington tower before flying. Instructions are posted at the field.

Next Meeting is October 5 , At the Field at 7:00PM

Dues may be sent to Fred Ford at 1147 Southridge Ave. Wilmington Oh 45177
